We manage half a million repair events every year. Exceed our expectations, and you can help.

Join North America's Fastest Growing Service Provider Network

We're looking for a few good partners including towing, repair, tire, and breakdown assistance providers who act with integrity and ethics.

We'll add value to your business.

Perform well within our network and you'll benefit from greater revenue, faster payment, and a consistent source of business opportunity.

What's In It for You?

We offer an unparalleled opportunity to increase your customer base, with no additional cost added to your budget.

You'll enjoy a mutually beneficial relationship, joining forces with other like-minded industry professionals to service motor carriers, fleet owners, insurance professionals and owner-operators across North America. Expand your geographic reach, add value for existing customers, and attract new ones.

Additionally, we offer sales and marketing services for our network providers. As a partner, you can expect to become a preferred service provider for all calls we receive in your geographic area.

All we ask for in return is consistency in pricing for our clients and priority in your dispatch queue.

To begin exploring a relationship with TTN Fleet Solutions, call (817) 380-4142.
